Room

By **Emma Donoghue**

Room is the story of Jack, son to Ma, a young woman who had been kidnapped and held hostage for seven years. *Room* is all Jack has known; it is his world. Every corner is a different part of his universe. Everything within *Room* is named and is Jack's friend--Rug, Wardrobe, Bed, TV. Ma has educated and protected Jack, but nothing is real outside *Room*.

But the outside is about to become real, for Jack and Ma must escape *Room* in order to survive.

UFL Reads! meets the fourth Sunday of most months.
