

The Friends of The Urbana Free Library

Home Delivery Service

The **Home Delivery Service** is a continuing project of The Friends of The Urbana Free Library.

- Volunteers select books, audiobooks, music, or movies for home delivery participants.
- The Friends provide regular delivery to individuals, nursing homes, and retirement centers.
- The service is available to residents within the Urbana city limits who live alone and have a physical condition that prevents their coming to the library.
- There are no late fees for our materials, but Home Delivery participants are responsible for lost and damaged materials or fees from other libraries.
- Please complete the **Home Delivery Application** and sign it.
